### Carefully read and understand the following before signing your name:

- I, acting as owner or agent of the pet named above, hereby request and authorize Kinder4Rescue, through whomever veterinarians they have designate, to perform an operation of the animal named on the above
- portion of this form.
- I understand that the operation presents some hazards and that injury to or death of such an animal may conceivably result, for there is some risk in the procedure and the use of anesthetics and drugs in providing this service. I certify that my animal is in good health and has had no food since midnight prior to surgery (if older than 4 months).
- I understand that Kinder4Rescue has the right to refuse service to any animal to whom surgery is deemed a health risk.
- I understand that my animal will receive pre-operative bloodwork at owner's expense.
- I understand some factors significantly increase surgical risk, including but not limited to, pregnancy, heat, and diseases such as feline immunodeficiency viral infection, feline leukemia viral infection, and heartworms.
- I understand that the **Blood Draw Fee is \$89** for clients **who will be using** our facility for surgery.
- I understand that if my pet **will not be** using the facility for surgery, than the blood work will be an **additional fee of \$61; totaling \$150.**
- I understand that blood results will not be released until the correct fee is paid.

- **I understand that if any anesthetic procedure is performed on my animal, the veterinarian will choose to also spay or neuter them at a cost to the client.**
- **I understand that all teeth to be pulled will be done at the discretion of the doctor in the interest of the health of my pet.**
- **If you do not show up to pick up your pet, you will be charged \$300 for an overnight fee.**
- **Brachycephalics carry a huge risk when it comes to anesthesia and treatments for your pet. The most common issue is overheating and trouble breathing due to their abnormal anatomy. Although, we take precautions, this higher anesthesia risk can result in death to your pet, I understand the additional risk to my pet, I agree to proceed. In addition,**  
**I agree not to hold Kinder4Rescue or our veterinarian staff responsible.**

Initials: \_\_\_\_\_

I hereby release Kinder4Rescue, Kinder4Rescue Pet Clinic, all veterinarians, assistants, volunteers, directors, and employees from any and all claims arising out of or connected with the performance of this procedure or any adverse reactions to vaccinations or medications. I agree that I have not and will not claim any right to compensation from them, or any of them, or file any action by reason of such surgery of such animal or any consequences related thereto. Owner/agent hereby agrees to indemnify and hold Kinder4Rescue harmless for any damages caused during by any unforeseeable events including fire, vandalism, burglary, extreme weather, natural disasters, or acts of God.
